## **St Mary's Catholic Primary School Anti-Bullying Policy**

The lead person with responsibility for developing this policy is Helen Armstrong who is a member of this schools senior leadership team. She will be supported in this role by Mrs Laura Hickman who is the Pastoral Support Worker.

Date issued: September 2014

Date to be reviewed: September 2015

### **1. Roles and responsibilities**

The lead person will

1. develop the policy in line with good practice
2. ensure that agreed protocols are followed
3. evaluate the progress the school is making in relation to the anti-bullying agenda

Class teachers are responsible for the day to day implementation of practices and they will:

1. support the development of an appropriate culture within school
2. support children who have experienced bullying
3. respond to children who have bullied
4. model appropriate, respectful behaviour

Children / young people in this school /setting will

1. embrace a culture that respects difference
2. support children who have experienced bullying behaviours.
3. model appropriate, respectful behaviour

Governors are responsible for monitoring the above

### **2. Participation**

At every stage in the development of this policy recognition has been given to the importance of ownership. The children, staff, parent / carers, governors and other members of the community have been involved in

1. the development of the policy
2. the implementation of the policy
3. the evaluation of the policy

At St. Mary's we enlisted the help of a small group of parents who have shared their views on this policy as well as the school council who have suggested changes.

### 3. The aims and objectives

Our school asked children what they felt the purpose of an anti-bullying policy should be and they responded

- To stop bullying
- To protect children
- Support children who are being bullied
- To give effective help to bully and victim
- Provide advice on how to react to different types of bullying
- Help communication between parents, professionals, victims and bullies
- Make school a happy and enjoyable place for everyone
- To teach everyone about bullying
- To give teachers more power to deal with bullying
- To help you to be confident to tell people
- Everybody is welcome in our school community

In generic terms (and as stated in the DfE document 2011 "Preventing and Tackling Bullying - Advice for School Leaders, Staff and Governing bodies".)

the aims and objectives of this policy are to develop and maintain

1. a culture of respect where difference is valued
2. a system of support for children / young people who have been bullied
3. a system of clear, fair and consistent responses to incidences of bullying

### 4. Defining bullying

Our school asked children to define bullying and they responded that bullying is

- One of the worst things that can happen to you
- Intentional, disrespectful, discriminative, repetitive, physical, repulsive, mental malicious/hurtful behaviour
- Making someone feel small so you can feel big or impress a friend
- People picking on you and when you feel like the joke has gone too far
- When the bully has more power
- Where the victim feels bad inside
- Bullying is constant not just something that happens once or twice
- The victim is blamed, when the bully is the person doing the wrong thing

In generic terms (and as stated in the DfE document 2011 "Preventing and Tackling Bullying - Advice for School Leaders, Staff and Governing bodies".)

bullying is described as 'behaviour by an individual or group, repeated over time, that Intentionally hurts another individual or group either physically or emotionally.'

## 5. Prevention

Our community is developing a culture that embraces differences and never tolerates bullying. We are doing this through:-

- the delivery of an appropriate curriculum - *Jigsaw lessons in each year group* including - ensuring positive images not least of people with protected characteristics, positive role models in history science, literature etc. A system for talking to pupils about difference including assemblies, dedicated events and lessons.
- training for staff to ensure a knowledge about diversity and issues associated with bullying
- the modelling of appropriate respectful behaviour by staff & pupils and other members of the school community.

## 6. Responding & Supporting

Our school asked children / young people about the type of support they would like and they responded -

- People to talk to
- A small group of friends to be told. Making sure they are the right people and this will make it better, not worse.
- School posters
- Having someone they trust so they can regularly check the current situation with the person who is being bullied
- Listening and not judging The victim and the bully
- A kind, understanding approach
- Someone trustworthy to confide in (who can go with you) (Mrs Hickman)
- For the bully to be dealt with (helped)
- Certain teachers to talk to
- Support to tell the bully how you feel
- Follow up on reported incidents - has it stopped?
- Kids space- somewhere where the victim and the bully can talk away from others with an adult to supervise/mediate
- Assembly (perhaps a special school council assembly to do this)
- Parents talk to both sets, separately then maybe together

Our school will address each incident of behaviour individually and appropriately. The common elements of each response will include:-

1. Listen to the child young person who has been bullied and identify the type of support they feel they need
2. Listen to the child young person who has bullied and identify the type of support they need
3. Apply disciplinary protocols consistently and fairly
4. Carefully consider and decide upon the appropriate level of parental involvement for both parties
5. Complete the schools recording forms and involve outside agencies (such as Educational Psychologists, EMTAS and Behaviour Support Service) as appropriate.

### **Child Protection**

Our school recognises that under the Children Act 1989 a bullying incident should be addressed as a child protection concern when there is "reasonable cause to suspect that a child is suffering, or is likely to suffer, significant harm". Where this is the case, our school staff will report their concerns to the Designated Senior Person for Child Protection who will refer to Children's Services Social Care.

### **7. Reporting**

Our school has a clear system for gathering information about what is happening within school -**the system is communicated through posters that are sited in every form / class room.**

**Briefing sheets are sent out to parent/ carers when they join the school- this school has a standard form that children and young people or parent / carers can use to record / report an incident.**

### **8. Evaluating**

Our school will track the outcomes of individual incidents of bullying. Our school will monitor the progress we are making with respect to the anti-bullying agenda. We recognise that success will be associated with satisfaction shown by children and parent carers and not necessarily via a reduction in reported incidents. Our school has a standard evaluation form.

### **9. Resources**

Our school / setting is aware of resources that can support this work and an appendix of resources is attached to this policy. We also recognise we can talk to our link Educational Psychologist who will support us with work in this area.

### **10. Celebrate**

Our school will publish the results of evaluations at staff meetings, school council meetings, governors and parent forum meetings.
