Dear Parents and Carers,

As you are aware, we expect every child to read each day, as part of their homework. This year all reading (in KS2) will be recorded in the main homework diary and there will not be a separate reading record.

An explanation of how reading should be recorded will be put into the homework diary and we ask that you please refer to this for guidance.

The advantages of this approach are that **all** homework, dates and messages can be recorded in **one** book only, ensuring clarity of communication for everyone.

It is **vital** that each child has their homework diary in school every day so that home reading can be monitored, class reading recorded and other homework, dates and messages recorded.

Thank you for your support,

K Wrann
