What were we talking about?	What can we do about it?	Who is in charge of doing it?
Plans for the year	We had a general discussion about what the school council wanted to work on this year and whether there was anything in school they would like to improve. Out of the discussion two topics were focussed on: the bank area and computers in KS1.	KS2 – Conduct a survey on the bank area. What is good about it and what needs to be changed to improve it? KS1 – Think about how computers could be used in lessons more.
House points	School council need to count the house points for this half term. We discussed possible rewards for the winning house and decided on non-uniform day.	Volunteers to see Mr Howard on Wednesday lunchtime to count up house points.
Safeguarding	We talked about the importance of children using the play equipment correctly at play times.
