

The St Vincent de Paul Society (SVP) Conference attached to St Mary's RC Church, Wimborne Road, Poole has been chosen to share in the current local Co-op funding scheme so please support us!

The SVP is a Christian voluntary organisation which provides assistance to those in need regardless of age, faith or gender. In Poole we help families, single parents, the sick and homeless and especially the elderly at home, in hospital and care homes with lifts, friendship and practical help.

Our local project is our monthly Tea and Chat club for seniors which caters for people from a wide area aged 60 - 90+ including some with disabilities. We regularly have 35 or more who enjoy an afternoon with tea, cake, books, games and activities in our hall at no charge. We also provide lifts for the less mobile and have an annual outing to the coast with fish and chips!

Your support would enable us to extend our range of activities, entertainment and outings for elderly local people who enjoy getting out and spending time mixing with others.

If you are a Co-op member you can choose the Tea and Chat project at <https://membership.coop.co.uk/causes/7693> and then 1% of your spend of Co-op branded products will be donated to the project.

If you're not a member already you can sign up here and select us as your cause www.coop.co.uk/membership
