**When they're 4 to 11 we're here to
Inspire to Achieve**

They'll love the activities in our four step programme...

SPORT Active

These are the sessions where they find their level and learn the techniques to follow their dream. If they're serious about sport, developing their talent begins here.

START Active

A stimulating 60 minutes of activity before the school day starts is fantastic for engaging the mind, improving coordination and preparing for the class room.

STAY Active

30 to 45 minutes of structured physical activity during lunch breaks keeps their energy levels up and their boredom thresholds down.

PLAY Active

Less than competitive but more than fun these, any time of day, sessions are brilliant for the not quite so sporty to get active and be involved.

...and you'll love seeing them be inspired

Inspire to Achieve is a ground-breaking programme designed to engage all four to eleven year olds. Don't worry if your children are not particularly sporty. Every child is welcome and you'll see that as an integral part of their education, sport and PE brings huge extra benefits

- **Social skills** are improved
- **Involvement** is encouraged and enhanced
- **Success** is seen as wider than just winning or losing
- **Future stars** can be spotted early and encouraged from the start
