

# Music News - Summer Term - 2019

## Guitar Evening 12/6/2019

This half term, our guitar students presented a showcase of their playing to parents, grandparents and siblings. The children wowed their audience with a range of pieces in different styles. A huge well done to everyone who took part and to our excellent audience who continue to encourage our guitarists to practise at home! Special thanks to Mr Palmer, our guitar teacher, who works so hard with our pupils.

## Woodwind / Keyboard / Trumpet Recital 18/6/19

Not to be out-done by the guitarists, a week later it was the turn of our pupils learning woodwind, keyboard and brass instruments. Mr Goodwin had prepared a packed programme of pieces and pupils played in a range of groups showcasing their many talents.

Thank you to all our pupils for playing so well and practising so diligently. Special thanks to Mr Goodwin who works so hard with our pupils.

## BSO Space & Exploration Concert 19/6/19

Once again, all of our KS2 children were invited down to Poole Lighthouse to experience the BSO in live concert. This year's theme was Space & Exploration, celebrating 50 years since the lunar landings.

We learnt the specially written songs and percussion parts and were able to join in fully throughout the concert. This was another wonderful opportunity for our pupils: thank you BSO!

## Beowulf concert with Armonico Consort 5/7/19

28 Year 4 pupils had a unique opportunity to perform an especially commissioned piece of music, based on the story of Beowulf, with the professional choir Armonico Consort.

We arrived at Poole Lighthouse in the afternoon and went straight into rehearsals with other schools and the Armonico Consort. We were wowed by the talents of the singers and musicians. After a short break for teatime, we launched straight into the concert. Everyone sung their hearts out and enjoyed their moment in the spotlight.

~~~~~  
*Dates for instrumental lessons for 2019/20 will be sent home in September.*

## Alice in Wonderland 10/7/19 & 11/7/19

This term saw the official launch of our summer show—the first one in the school for ten years!

It started with an Art competition to design the logo that would be used throughout to advertise the show. It was even used on the cast and crew t-shirts. The competition was won by Emily in Year 6 with this design:

Emily's design was then professionally digitalised and can be found on the posters, tickets, programme, t-shirts and much more!

## Alice in Wonderland More pictures will be released shortly!
