Dear Parents and Carers,

Welcome back after the long summer break!

Next week we will be holding our popular “welcome information evenings” for children in Years 1 to 6. At these meetings your child’s teacher will explain the curriculum for your child’s year group and talk about how this academic year will work.

We hope these events help strengthen the link between home, pupils and school and that you will find the information useful.

Please take this opportunity to meet your child’s teacher on one of the dates below; please be aware that the information provided will be the same on each day.
