Solemnities, Feasts or Memorials

Have you ever wondered why on the front of the newsletter it sometimes list a saints name on a particular day and has 'SOL, FEAST or Mem' next to it?

The Church punctuates the liturgical year by celebrating various events important to the mystery of our salvation. During the course of the liturgical year, the Church celebrates the whole mystery of Christ, from His incarnation and birth to His ascension, to Pentecost and the founding of the Church, and finally to the second coming of Christ in judgment on the Solemnity of Christ the King. On Sundays in particular, we commemorate the Resurrection, when our Lord triumphed over sin and death. In a special way, the Church also honours our Blessed Mother, marking those special events of her participation in the mystery of salvation. Finally, the Church also commemorates the memorial days of saints, who through their lives bring to the minds of the faithful the call to holiness. Saints' days are celebrated with few exceptions on the date of the saint's death- their birth into eternal life.

Technically, the divisions are as follows:

Solemnities are the celebrations of greatest importance. Each Solemnity begins on the prior evening with first vespers (evening prayer) and several of the solemnities have their own Vigil Mass. On these days, both the Gloria and the Creed are recited. Sundays and Holy Days of Obligation are always considered solemnities. Other examples of solemnities include the

Solemnity of St. Joseph (March 19), the Solemnity of the Sacred Heart of Jesus (Friday after the Feast of Corpus Christi), and the Solemnity of St. Peter and St. Paul (June 29).

Feasts are of second importance in our liturgical calendar and are celebrated on a particular day. These feasts do not have a first vespers or Vigil Mass the prior evening. On these days, the Gloria is recited but not the Creed.

Next in line are memorials, which are classified as either obligatory or optional. Memorials commemorate a saint or saints. Obligatory memorials must be observed whereas optional memorials do not have to be observed. For example, the memorial of St. John Bosco (January 31) is obligatory while the memorial of St. Blase (February 3) is optional. Only the memorials of those saints who are of "universal significance" are observed by the whole Church and marked in the general liturgical calendar.
