

Friday 5th May

CORONATION CELEBRATIONS

Children in all year groups enjoyed celebrating the new Kings coronation ahead of the big day. All were invited to dress in union jack colours and enjoy a day of art, craft, picnic and work related to this special event.

At the end of the school day, parents and carers were invited to enjoy refreshments whilst children sang the special coronation song they had learnt. Lots of children followed a coronation trail which held a reward at the end. A tree was planted in the school grounds to mark this occasion and to remind us in years to come.
