Primary is a
'Good' School.

**Ofsted Inspection January 2019
said of Early Years:**

"Children enjoy coming into their early years classes and they settle quickly. This is because of the good quality of care and the well-planned and structured routines. The environment is welcoming, bright and stimulating.

The quality of teaching, learning and assessment is strong.

The quality of early phonics teaching is high. It is supplemented by a clear focus on early reading and the development of a love of books."
