Dear Parents/Carers

20<sup>th</sup> March 2019

## **Creature Teachers Visit for Foundation**

On Monday 1<sup>st</sup> May, Creature Teachers will be visiting our school to offer the children hands on experience with real life creatures. The children will get a chance to see, touch and handle creatures from various countries.

The children will learn about habitats, food and animal classification. These are all units of work that are part of the Science National Curriculum and the creature handling workshop will support and enhance the children's knowledge and understanding of living things.

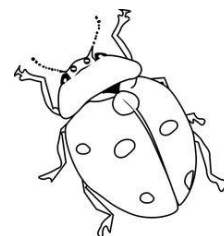

The cost will be £3.50 per child for this amazing creature encounter. No child will be excluded because his/her parents/carers cannot or will not contribute, but the workshops may have to be cancelled if there is insufficient support.

Please complete the permission slip and return by Friday 5<sup>th</sup> April. Payment can be made online at Tucasi Scopay or posted in the box by the school office.

We look forward to this exciting workshop.

Yours sincerely

Mrs Eddy and Miss O'Donoghue
