

The BIG Picture – F2 Spring 2

Food Glorious Food

Jigsaw – Healthy Me

Understanding what happens
to our body when we exercise.

Healthy and unhealthy food

Keeping clean, stranger
danger

Literacy

Speaking & Listening: Using language to imagine and recreate roles and experiences in play situations.

Reading: Strengthening the skills of segmenting and blending simple words, captions and phrases.
Recognising phase 2 and 3 tricky words

Writing: Revisiting phase 3 letters and sounds – learning new digraphs. Writing labels and captions.

Talk for Writing: We will be learning to retell 'Handa's Surprise'

Expressive Arts and Design

Listening to and singing songs related to Easter and Africa. Using different materials, patterns and colours to decorate African instruments.

R.E.

Lent – Understanding that Lent is a special time for prayer.

To learn about and celebrate our talents.

Maths

Selecting the correct amount of objects to represent numbers up to 20. Recap of addition and subtraction. Writing number sentences and solving word problems. Discussing estimation and what it means and using this to estimate the number of objects. Introducing time and sequencing the events of our day.

Understanding the World

Experimenting with liquids and solids, explaining the changes that happen. Looking at the similarities and differences between where we live and Africa. Making observations of animals and their habitats. Completing a simple program on the computer, recognising technology used at home and at school.
