Diocese of Plymouth

Year 5 Enrichment Sessions at St Edwards- 5L Tuesday 25th 5W Wednesday 26th 8.45am-3.30pm

Dear Parents and Carers,

Year 5 children from Baden Powell and St Peter's, Bishop Aldhelm's, Christ the King, St Joseph's and St Mary's schools have been invited to participate within a Curriculum Enrichment day at St Edward's. These have been successfully run in previous years and we look forward to taking part in again this summer.

The idea behind the Curriculum Enrichment days is to show the children the wonders of learning in a secondary school environment; highlighting the resources that they have to offer and the ways in which these can enrich the curriculum. We also hope to dissipate any concerns that your child may have about their natural progression on their journey into Secondary education, wherever that may be.

During the course of the day, your child will experience two different subject areas, as well as other games and activities. They will be supported through the day by staff and sixth form students. We would ask you to drop off your child at St Edward's between 8.30 and 8.45, where they will be greeted by their class teacher. We ask that your child wears their normal school uniform for the day and brings a packed lunch with them. If your child receives free school meals, we will arrange for a packed lunch to be provided.

There will be a half an hour assembly at 14.15 to celebrate the day, which you are invited to attend if you are able. Your child will be ready to collect from 14.45 from the gates by reception. Please be aware that the main car park gates are closed at 15.10 until 15.30, whilst the rest of the school community leave the site. We want to highlight that this is a fun and enjoyable day and not one that they should in any way have any concerns about. If you have any questions, please do not hesitate to speak to your child's class teacher. Please note which day your child will be attending-slips returned as soon as possible.

Yours sincerely,

Mr C Lakatos & Mrs L Watts
Year 5 teachers
