Dear Parents and Carers,

Next Week:

Literacy: We will be continuing our topic of Pirates and we will be writing our own Pirate stories and creating a wanted poster for our own characters.

Maths: We will be continuing the topic of volume, measuring in millilitres (ml) and litres (l) including worded problems. Any practical measuring that you could do at home would really help to consolidate this work.

RE: We will be continuing with our topic of Pentecost. We will be looking at the promises made in the story of Noah and in the Gospel of John.

Homework:

Literacy – Your child will have a copy of a *Pirate poem* to learn at home. We will be performing this later on in the term.
