WALK TO CHURCH SUNDAY – At St Mary's

April 13th (Palm Sunday)

- As part of the Parish working toward the CAFOD livesimply award plus looking at reducing our impact on the environment, we would encourage as many of you as possible to leave your cars at home and travel to church on foot or bike.
- For those who live too far away to do this, perhaps you could consider car sharing on this day. If you have a spare seat in your car or would be grateful for a lift there is a sign-up sheet in the porch to link people from local areas.
- If you do drive please consider parking a little further away that day and walking the last 10 minutes.
- The number of parking spaces in the car park will be reduced on this Sunday to allow for the Palm Sunday procession
- Due to the traditional Palm Sunday procession, stewards will be stopping cars entering the car park from 9.25am This is to maintain the safety of Parishioners during the procession.
- Thank you in advance for your support

ST. MARY'S - LIGHT A CANDLE & PRAY FOR THE SICK - SUNDAY APRIL 7th AT 4 P.M.

The Stations of the Cross will be led by the Healing Prayer Group in St. Mary's on the afternoon of Sunday April 7th. This moving set of meditations is particularly relevant to those linked to spiritual healing through prayer and physical healing through our doctors and nurses. All parishioners are invited to light a candle before the altar for a loved one who is sick, or in need of God's healing love, before the service begins. As we progress around the stations, we will remember them all and pray for their healing as we unite their pain and suffering to that of Jesus carrying his cross to Calvary. Please join us to express solidarity and caring for the sick of the parish, those in hospital and those in care homes.

VACANCY - YOUTH WORKER

The Diocese of Plymouth is looking to appoint the following position.

Parish Youth Worker (full time) – 1 post
Location: Poole

Salary: £23 - £26,000 per annum

Hours: 35 hours per week

Are you passionate about helping young people to know Jesus, grow in Him, and take a full and active part in the Catholic parishes of Poole? Do you have a gift for working with young people and helping their faith develop? Do you have experience of working with young people both church and unchurch?

If so, you may wish to apply to become the Youth Worker for the Poole Catholic Youth Project. In addition to providing a strong pastoral base for young people (which can be 8 – 18 year), so they will know they are loved and valued by God and their Church, you will also build links with schools and the parishes.

You will be an engaging and faithful spiritual teacher to our young people, have good organisational skills and be IT proficient – ideally with some practical understanding of social media and perhaps a qualification in youth work or catechesis/theology.

Copies of the job description, person specification and application form are obtainable by calling Jan Holton on 01364 645383 or by emailing recruitment@prcdtr.org.uk.

The last date for the receipt of applications will be 14 April 2019 and interviews will be held week commencing 29 April at St Edwards School, Poole

The appointee to this post will be subject to an enhanced clearance through the Disclosure & Barring Service.

PARISH REGISTRATION – St Mary's and St Anthony's

St Mary's and St Anthony's parishes are trialling a new Parish on line Database for the Diocese. Even if you filled in a 'Keeping in Touch' form last year, we would be grateful if you could take some time to go the parish website (both www.stmaryspoole.org.uk and www.st-anthonys-broadstone.co.uk will take you to the joint St Mary's and St Anthony's website) and use the link under 'Register' and register yourselves. (Each adult must do this individually). The reason for this is the new Data Protection laws which came in last year meant we could not keep all the information we previously held about our parishioners – date of reception of sacraments, names of children, etc. We can only put on the database the basic information you provided on the keeping in touch form. So for some parishioners we don't even have the basic information of if you are married, have children or where you live. Not having this information does hamper Father getting to know everybody in your family. If you do not have access to the internet please contact your parish office.
