

St Mary's Catholic Primary School

Headteacher: Mrs Helen Armstrong

Diocese of Plymouth

Dear Parents and Carers,

Foundation Autumn Term Home Learning Challenge - 'Autumn'

This half term we have worked very hard on our numbers 1 to 5, counting correctly to 5, representing 5 and identifying '5s' in and around the classroom. We are also working hard to understand our phonics, identifying individual letter sounds, and blending them to form short words. Our topic work has centred around the theme of Autumn, it has been lovely to see the children outside enjoying the autumnal changes. Our home learning challenges reflect these areas of our learning. Please choose one to complete with your child.

Which challenge will you choose?

Challenge 1: Choose a number and create a number poster showing how many different ways you can represent this number.

e.g. - Number 3; triangles, 3 fingers, 3 on a dice.

Challenge 2: Choose a sound we have learnt and see how many pictures you can draw/cut out that begin with that sound.

e.g. - S; snake, sausage, sandwich, sun.

Challenge 3: Create a picture using things you collect from the garden or an autumn walk.

Please bring in your challenges at any time in the next half term. We can't wait to see them and look forward to sharing them in class.

Regards,

Miss O'Donoghue and Mrs Mundy
