# SVP

We have an active SVP here at St Mary's and St Anthony's parishes which does a lot of good work behind the scenes. We will have seen a member standing outside with a small brown collection box, and read about the 'Seniors Tea and Chat' that they run. But how many of us church-going Catholics even know what the letters SVP stand for?

## The Society of St Vincent de Paul

### Turning Concern into Action.

In 1833 a young French student was challenged: "What is your church doing now? What is she doing for the poor of Paris? Show us your works and we will believe you!"

The man was Blessed Frédéric Ozanam. To answer that challenge he set up what is now one of the biggest world-wide voluntary organisations for the poor. He was guided by Blessed Rosalie Rendu, a Sister of the Daughters of Charity (founded by Saint Vincent de Paul two centuries earlier); she was already working in the slums of Paris. So under her direction the new organisation was also named after the heroic and inspirational priest who had founded her order for the poor: 'The Society of St Vincent de Paul' or SVP for short.

There are now over 800,000 members of the SVP in some 140 countries worldwide. There are around 10,000 members in the UK visiting more than 100,000 people each year. Members operate through "conferences" which may be based in a parish, a school or hospital etc. Non Catholics may join.

### Vision

Our Vision, which is inspired by Christ's message to love our neighbour as ourselves, is for individuals and families who are in any form of need to have hope together with a sense of dignity, worth, well-being and peace of mind.

### Mission

Our Mission is to seek and find those in need, to help them in a spirit of justice and to tackle the causes of poverty where we can. We do this:

### As members -

in our active membership of local groups, through which we befriend and offer support, within our means, to any person in need.

### Values

### Christ Centred

The St Vincent de Paul Society acknowledges the presence of Christ everywhere.

### Compassionate

We aim to show a compassion that is non-judgmental towards those with whom we work.

### Respectful

We respect the dignity of all in the knowledge that we are all equal.

### Generous

We aim to be generous with our time, our possessions and ourselves in the service of others.

### Responsive

We aim to be alert to the ever changing needs in the communities in which we work and to respond accordingly in order to alleviate poverty in all its forms as well as we can.

### Accountable

We recognize our accountability to those we seek to help; whilst acting within the limits of our own knowledge and skills.

### Confidential

We respect the confidentiality of those we help, whilst recognizing that the physical and mental wellbeing of any vulnerable party must always be paramount. The St Vincent de Paul Society strives to achieve these values through the intercession of the Holy Spirit, through prayer, friendship, mutual support and encouragement.

### A path to holiness

The Saint-Vincent de Paul Society is above all a school of faith. Through face-to-face visits, members are called to encounter Christ, God Himself, present and hidden amongst the Poor: "We should fall at their feet and say alongside the Apostle: 'You are our masters and we are your servants, you are for us the sacred image of a God that we cannot see, and in not knowing how to otherwise love, we will love you as individuals'". (Blessed Frederic Ozanam)
