## PEACE SUNDAY – 19<sup>th</sup> January 2020

The Bishops of England and Wales invite us to keep this Sunday as a day of prayer for world peace and to reflect on the theme chosen by Pope Francis for the annual World Peace Day .

'Peace as a Journey of Hope: Dialogue, Reconciliation and Ecological Conversion'

The day has a particular 'flavour' this year because we pass so many significant anniversaries in the coming months:

The 75th anniversary of the liberation of Auschwitz, marked by Holocaust Memorial Day on 27 January;

The 75th anniversary of the end of World War II in Europe – marked by a special Bank Holiday on May 8.

Then again, in August, the 75th anniversaries of the atomic bombing of Hiroshima and Nagasaki and the 75th anniversary of Japan's surrender.

All a long lifetime ago and yet all events which continue to mark our history; events which show both the human capacity for inflicting evil and the human capacity to resist evil.

But these events also invite us all to examine the roots of violence in our culture today and, especially, in our own hearts. They call us to conversion, to a rejection of the logic of violence and to a commitment to rebuild what has been broken in ways which lead to peace.

### **CAFOD CORNER: NEWS & INFORMATION**

As 2020 starts with fires burning in Australia, and millions on the brink of starvation in Southern Africa CAFOD challenges us to make small changes for the New Year to help combat climate change. We will be sharing the CAFOD messages around reduce reuse recycle, and other actions we could take to make the world a better place for all to live in.

## **CAFOD LAUNCHES URGENT APPEAL FOR MILLIONS OF FAMILIES FACING HUNGER IN ZIMBABWE AND ZAMBIA**

The recent Cyclone Idai, are pushing families to the brink of starvation. Last year's harvests failed, largely due to extreme weather, from droughts that lasted for months on end, to flooding which wiped out whole villages.

"The cost of food has risen exponentially, and there are severe bread shortages across the country. Where it can be found, a loaf of bread in Zimbabwe now costs up to fifteen times more than it did a year ago. In the struggle to feed their children, parents are going without themselves.

"The prolonged drought means dams have failed to fill. Wells and rivers are drying up, leaving communities with no option but to walk tens of kilometres to reach water."

PLEASE support this urgent appeal donate whatever you can afford via the CAFOD web site

*New year's resolution*

### **BUY FEWER NEW CLOTHES**

According to the Pulse of Fashion report in 2015 the industry was responsible for 1,715 million tonnes of CO2 emissions. With limited recycling options to recover reusable fibres, almost 60% of all clothing produced is disposed of within a year of production (ending in landfill or incineration)

The Keynote Speaker is Right Reverend Nick Holtam, Bishop of Salisbury and lead bishop for environmental affairs

Workshops and presentations include those by Br. Clark Berge SSF, Guardian of the Friary of St. Francis and the Hilfield Community at Hilfield, Dorset

### **ST EDWARD'S SCHOOL**

You will be pleased to hear that the Bishop has agreed to the Blessed Sacrament being reserved at St Edward's School which will allow for Masses to be held there and periods of adoration for students and staff. The school will need a chalice and ciborium along with a small monstrance to enable these liturgical events and I was wondering whether some kind parishioners might gift them to the school? ## COMING SOON – to ST MARY’S

With changes to peoples habits of paying for all sorts of goods and services, St Mary’s, with the blessing of the diocese, has decided to be one of the pilot churches to introduce contact giving.

### Contactless Donations

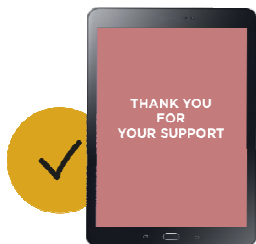

Step one – choose your amount.

Step two – Tap your card

Step three – optionally enter your details for a receipt.

### So why go contactless?

This will not replace our usual method of collecting weekly donations to the parish, but rather enhance it. More people than ever no longer carry cash. This will enable you to give to the parish without the usual fumble in bags and pockets and the realisation that you have no cash on you, during the offertory. You will be able to donate as you enter or leave the church.
