

# Christmas Music - 2018

## Poole Schools' Music Association Concert 30/11/18

30 excited members of the Junior Choir represented St. Mary's at Poole Lighthouse to celebrate the beginning of the festive season. The Choir had been learning the songs since September and wowed a packed out concert hall with their rendition of The Donkey Song, Gabriel's Message and Star Carol amongst others. It was a wonderful opportunity to meet and sing with other children in schools across Poole.

## Christmas Celebration Concert 13/12/18

Over 130 pupils took part in our annual Christmas Celebration Concert at St. Mary's Catholic Church. All musical groups were involved with performances from Glee Choir, Junior Choir, KS1 Choir, Orchestra, Improver Recorders, Beginner Recorders, Guitars, Woodwind, Violins and Keyboards! Our Staff Choir even made a return with another great performance. With readings to focus our minds on the coming of Christ, it was a festive and prayerful evening for the school community.

## KS1 Choir visit Horizons Assisted Living 19/12/18

On the last Wednesday of term, Key Stage 1 Choir was invited back to Horizons Assisted Living Facility to sing some Christmas songs again. They wowed the audience with songs and carols such as Jingle Bells, Red Red Coat and Away in a Manger. We enjoyed speaking to residents afterwards, some are ex-pupils of St. Mary's School on its former site!

## Junior Choir help the 'Poole Elf Service' 14/12/18

A HUGE thank you to the many parents who have accompanied us on Music trips and rehearsals!
