14th March 2019

Dear Parents and Carers,

This week began on a very solemn note as we held a special liturgy to remember Reyes. The children have been amazing this week and even though not all of them knew him they made cards and said prayers for him.

We have finished learning our new talk for writing story, Handa's surprise. Next week we will begin our new story, don't put your finger in the jelly Nelly. Our focus will be on rhyming words. We have been busy painting African animals and comparing the African landscape with our own.

We continue to revisit all our phase 2 and 3 sounds as well as our tricky words. Please encourage your child to write notes for you or maybe the shopping list at home, extending this to simple sentences if they are able.

In maths this week we have looked at sequencing the events of our day and discussing time. We have also looked at different ways to make 10.

Please continue to read with your child regularly.

Tapestry challenge

We would like the children to find objects or pictures of things in the home or environment that rhyme. For an extra challenge you could find objects or pictures of things that do not rhyme with anything else.

Milk

When children reach the age of 5 they are no longer entitled to free milk at school. If you would like your child to continue to have milk at school you can pay for it via this link

R.E

This week the children learnt about lent and how we can be more like Jesus during lent.

Stars of the Week!

The starts of the week this week were Olivia and Sophia S.
